Complies with the requirements applicable to it

The quality system file has been assessed, approved and is subject to continuous surveillance according to the Council Directive on Pressure Equipment Directive (PED) 2014/68/EU (MODULE H)

This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits.

The CE mark as shown above should only used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant ECDirectives. The statement is based on a single evaluation of test report submitted by manufacturer of one sample of above mentioned product. It does not imply an assessment of the whole production.
